WATER ACTIVITY AGREEMENT FOR COMMUNITY AMATEUR SPORTS CLUBS (CASC): Your participation in this agreement is essential to receive financial benefits that are reflected in your membership fee. This section must be filled in.

We need at least half of our membership to show an intention to participate in activities connected to the water twelve times a year. There may be one or more activities performed in one day and therefore activities need not necessarily be on twelve separate days. The activities may include:

Waterside: Safety boat crew, Race officer, beach crew for events, help with admin/logistics at training courses, boat maintenance.

Shoreside: Appointed First Aider, preparation of club for club events / clear up after, grass cut, hedge trim, litter collection etc.

Training may be required or may be offered for some of the above activities.

Please indicate here how many Adults and Juniors / Young people (aged 5 and over) on this form intend to participate twelve times per year:	Adults	Juniors

MEMBER SKILLS (for volunteer duties)

Club running costs continue to rise. In addition to the Club Task Support 'Dutyman' activity many of the tasks could be undertaken by club members rather than put out to contractors, and it would therefore be appreciated if those members who feel they have skills which they would be prepared to use occasionally, for the efficient running and maintenance of the club, could note their skills below.

1	General maintenance, painting decorating etc.	
2	Maintenance of the boat park, grass cutting, ground tidying etc.	
3	Catering and related tasks.	
4	First Aid.	
5	Boat maintenance.	
6	Safety boat crew, Race officer, beach crew.	
7	Please indicate other skills which may be useful.
