30th January 2022

Dear Members,

As we draw near to the end of another Membership year, I would like to thank you for all of your support in various ways over what has been another tricky year. It is all much appreciated and what makes our Club so special.

We are fast approaching the annual AGM, which we hope to hold towards the end of February. The date, as you know, is dependent on when the accounts are finalised. But, we will let you know when it is as soon as we can. We are holding it online again this year. The reason for this is that it makes it accessible to all who want to attend and may still be feeling apprehensive about the Covid situation and mixing with a large group of people. The feedback for last year's AGM was positive and it worked well, so we feel repeating it online this year is the best, and safest method for you and us.

The Committee nomination lists have been displayed within the Club for some time now. There are a few vacant positions on both Committees and a few nominations that need either proposing or seconding. Please take a look when you are at the Club to see if there is a position that you feel you have the skills and knowledge to take on for the year. Each role has a short description as to what it entails, but feel free to contact us to ask any questions or have a chat about it. There is an expectation to attend monthly Committee meetings, but these are held online in order to minimise the time needed and make them as accessible (and comfortable) as possible.

We have our annual Maintenance Weekend on the 26th and 27th February and as always, the Club will be closed for these days to allow us to be able to complete the jobs. There will be a variety of jobs that will need carrying out. This is a perfect opportunity for you to give some support to the Club and complete your 2 hours volunteering that is part of your Membership (unless you are exempt). We will have a list of jobs prepared, but if you spot something that needs doing, feel free to let us know so we can add it to the list.

We hope to hold our Membership renewal day again as it was popular when we last held it. We will let you know the date once it is confirmed. We are looking forward to the coming year and have lots of things booked in and planned for a busy and fun year. Our first event is in March, where we will have The Revival playing for us to kick off the season in true BRSC style. They are always a fantastic band and provide a great night for us. We hope to see you there to celebrate the new Season.

As always, feel free to contact us if you have any queries or suggestions, we always take on board what Members want and try our best to please you all.

Warmest wishes,

Rachael, BRSC Commodore
